

## Product Changes Notification

---

### Product Changes on 100G Quadwire® AOC FCBx425QE2Cyy and FCBx425QB2Cyy

---

#### Scope of Changes Notification

This product change notification (PCN) outlines the changes to II-VI 100G Quadwire® AOC on IC dual-source.

#### The II-VI Part Numbers affected by this PCN are:

Generic P/N	Custom P/N
FCBx425QE2Cyy	FCBx425QE2Cyy-zz
FCBx425QB2Cyy	FCBx425QB2Cyy-zz

Remark:

- x: fire resistance rating, like N for OPNP
- yy: cable length, like 01 for 1 meter cable length
- zz: custom code for specific customer

#### Detailed Description of Changes

To make sure that our dear customers can benefit from our continuous supply, on-time delivery and competitive products, we will add a new IC option to be dual-sourced. Software and PCBA will be changed to match IC change. In the meanwhile, we will keep our existing IC solution active.

All above changes have no impact on functionality, performance, quality or reliability of the AOC product.

P/N (part number) will keep the same with no changes.

#### Implementation Date

Samples could be requested while mass production will be expected by next March.

All the changes will be introduced as rolling changes after 90 days of issuance of this notice or sooner as approved by individual customers.

Customer part numbers will remain the same, and II-VI maintains traceability by serial number or lot number.

**PCN Number:** 1389533  
**Date Issued:** Dec-9-2020
