Just Flip It Over!

For greater versatility in your datacenter we have created a Cable Management Rack that can be used as either a ZeroU or 1U just by flipping it over 180 degrees.

Design allows for retrofit
without disturbing active device

If found to be defective for ANY reason, we'll ship you a new one!

1460 Washington Blvd, A102
Concord, CA 94521

**Celebrating 30+ years
experience in the
Manufacturing of
Cable Management and
Rack Management Products**

Zero U Mounting Position

1U Mounting Position

2 Models to Choose From:

For new installs...
Part# CLS08H - 19" x 6"

For retrofits...
Part# CLS08S - 19" x 6"

Retrofitting slots allow the shelf to slide into position with minimal impact on an active working piece of hardware

Zero U Installation

1U Installation
