DIGI-KEY ELECTRONICS
701 Brooks Ave. South
Thief River Falls, MN 56701 USA

Dear Customer,

Per my email to Digi Key, the below list of power supplies are not available.

ICM15-090 ICM15-240
ICM15-120 ICM15-180
ICM15-300 ICM15-360

After further Engineering review of the units, it was determined that they could not meet The level VI efficiency standards, and therefore we have decided to discontinue them.

Best regards,

Laurie Langhoff
