PHASE-OUT NOTICE

Dear Channel Partner,

The purpose of this notice is to inform you that Crouzet is placing two Part Numbers in phase-out.

- 88 970 525: CT104 Essential Kit Millenium 3 XD10R
- 88 970 536: CT107 Essential Kit Millenium 3 XD26R

These two part numbers are being phased out due to the evolution of the programming language on the Essential range of the touch-panel HMI. The sales volume is too low to justify an update to these two part numbers.

The products are still available separately (Millenium 3 / Crouzet Touch / Soft & Cables)

We appreciate your understanding and we will keep focusing on providing more enhanced and value-added products for you.

Do not hesitate if you have further questions.

Kind Regards,

P.O.
Strategy, Marketing, External communication Director
