**Re: Retraction of Notice of Obsolescence and Last Time Buy 11305-20 issued 10/27/2022**

TTM recently issued a Notice of Obsolescence for part number 11305-20 and an offer for Last Time Buy. Due to responses from several customers with active projects utilizing this part, TTM has decided to continue availability of the 11305-20 for the foreseeable future. Please disregard the previous Notice of Obsolescence.

If you have any questions, please contact me via email at [Andrew.Kempf@TTM.com](mailto:Andrew.Kempf@TTM.com).

Sincerely,

**Andrew Kempf** | Director of Program Management | RF & Specialty Components Business Unit |
