

## Product Change Notice for 26700-118

Date: December 7, 2021

Dear Customer,

Navitar Macro Lens has been discontinued. We have replaced this lens with the Computar lens, part number 26700-181 in our system 26700-118

The Navitar lens 26700-181 offered a magnification range of 7x to 40x on the included 11.6 monitor. The Computar lens offers a magnification range of 4x to 40x on the included monitor.

Technical data on the Computar lens is available on our website.

All other components in the system 26700-118 will remain the same.

A handwritten signature in black ink, appearing to read "U. P. Smith".
