PRODUCT DISCONTINUATION NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is announcing the end-of-sale and end-of-life for certain PremierWave SE family devices.

Please refer to Table 1 below for the various end-of-life milestones, definitions and dates for the affected product(s). For customers with paid support contracts, support will be available under the terms and conditions of the customer's service contract.

Table 1: End-of-Life Milestones and Dates

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to everyone.	February 11, 2021
End-of-Sale Date (*)	The last date to order the product through Lantronix and its partners (availability subject to stock). The product is no longer available for sale after this date, unless inventory becomes available to sell.	December 28, 2022
Last Ship Date: Hardware	The last possible ship date that can be requested of Lantronix. Actual ship date is dependent on lead time.	December 28, 2023
Last Date of Warranty Support	The last date to receive applicable service and technical support for the product as entitled by warranty terms and conditions (https://www.lantronix.com/legal/warranty-policy/). After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 28, 2025
End of Software Maintenance Release Date	The last date that Lantronix may release any final software maintenance releases or bug fixes. After this date, Lantronix will no longer develop, repair, maintain or test the product software.	December 28, 2023

(*) In the event that a supplier discontinues a component on the PremierWave SE, Lantronix may need to change the End-of-Sale Date to an earlier date to secure sufficient last-time-buy inventory from such supplier.

Orders are non-cancelable, non-returnable (except warranty returns during the period of active Warranty Support set forth in Table 1). Any line item on an Order within one-hundred eighty (180) days of scheduled ship date is non-reschedulable, and in no event will rescheduling be accepted beyond the Last Ship Date: Hardware set forth in Table 1.
