

Dear Valued Customer:

This letter is to inform you that we are discontinuing the product(s) described below. Please review this letter to ensure that your products and/or processes will not be affected by the termination of this item and email your acceptance and/or need for any additional documentation for the obsolete product(s). Please respond with your acknowledgement to Rebecca Yazzie at [rebecca@inspiredled.com](mailto:rebecca@inspiredled.com). Thank you for your help and support.

**Inspired LED Part Number(s):** 24V-MB100-PW-12M

**Reason:** In an effort to provide the best quality products Inspired LED is upgrading to a more efficient 24V product line within the coming weeks. As part of the redesign we have transitioned from 10mm to 8mm with respect to the width of the flex. To differentiate between the two products we will be releasing a new SKU. As our customer base has grown and changed, Inspired LED is trying to streamline product lines that are aligned with customer requests and purchase patterns.
