Subject: Supply Disruption Impacting LOCTITE® STYCAST & LOCTITE® ABLESTIK Products

Dear Valued Customer,

Our adhesives supply chain has experienced extraordinary disruptions for some time due to the global raw materials shortage. This has affected our ability to procure a raw material used in the production of certain LOCTITE® STYCAST and LOCTITE® ABLESTIK products listed on Attachment A hereto (the "Products").

We are in the process of reviewing our ability to fill existing orders for the products listed and will need additional time to confirm orders. As a result, you may experience a delay in your Q3 2022 deliveries.

We are in close contact with our supplier and using all commercially reasonable means to leverage our global supply chain to address this situation and support our customers.

Please contact your local sales representative to discuss the status of current and future orders.

Henkel appreciates your patience and understanding during this challenging period.

Sincerely,

Melissa Hart
