END OF LIFE NOTIFICATION

Product Type: 5V Clock Oscillators

EOL P/N Series:

5x7mm Package: HSM Series, CWX Series

EOL Date: TBD for each individual part number based on remaining inventory

This represents formal notification that the above referenced 5V Clock Oscillator Series part numbers will no longer be available after the use of the remaining inventory. We have not identified an equivalent part number that should be considered as a replacement. This End of Life Notification is the result of end-of-life announcements from our analog compensation IC supplier.

A last time buy is not guaranteed on these devices, but if available, is limited to our available inventory. Please contact the factory for details about specific part numbers.

Recommended replacement part: N/A

Changes in replacement p/n: N/A
