Subject: Notification of Discontinuation, HPL series

Thin film Chip Inductors (P/N)	HPL0603 & HPL1005 Series - 0201 and 0402 size
Effective Date	LAST TIME BUY : Nov30, 2014 LAST TIME SHIPMENT : Dec 15, 2014 Termination Date Dec 31, 2014
Reason for Change	Unfortunately, the 0201 and 0402 size precision thin film chip inductors have been below our expectations. From the production point of view, it's very difficult situation to keep the production lines. Therefore, it has become necessary to discontinue above product lines even though we are fully aware that this might be inconvenient for some of our customers.
