**Product discontinuation**

Dear Customer,

We want to notify that further production of products listed on page 2 cannot be supported any longer. Replacement products are listed next to the column “discontinued devices”.

Reason is that the underlying technology is nearing its end of life and the total demand has declined to such a level that an economic production can no longer be warranted. Please be informed that the discontinuation of the product will be implemented with immediate effect.

We advise you to contact our Sales & Marketing team to review the potential replacement product.

For any further questions, please feel free to contact our customer support team at any time.

Best regards,

A handwritten signature in black ink, appearing to read 'Peter Crabbe', with a stylized flourish at the end.
