The following American Electrical product has been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description of Product Change Notification

Throughout last year, sourcing this part became increasingly more difficult and has lead to American Electrical to make a product change. This product has minor variations to the original. The primary change is as follows:

- 1) The short metal thumbscrews have been replaced by longer moded plastic thumbscrews that can be tightened by hand-tight, or with a flathead screw driver.

Stock Status

Can existing stock still be used? Yes

Is mixture of stock acceptable? Yes

Transaction Dates

Date modification goes into effect? 21-Mar-22

Expected first shipment from American Electrical? 21-Mar-22

Product Change Notification

Should there be any issue with timeline, content, or specifications of this product change, please contact American Electrical Inc using the information below. Customers should acknowledge receipt of this PCN within 30 days of delivery of the PCN in the event the change affects production or operations negatively.
