

Change Notice

SK Series

Discontinuation of Low Security SK Keylocks with CSA Approval

SK Series Keylocks with Low Security and CSA Approval will be Discontinued

Type of Change:

- Engineering Part Number
- Product Appearance

NKK Switches is discontinuing the low security SK Series Keylocks with CSA approval. This discontinuation applies to both standard and custom switches with the CSA approval. NKK recommends low security SK Series Keylocks with C-UL recognition as alternates for the discontinued devices.

Effected standard and alternate part numbers are listed on the following table.

Effected Standard Part Numbers and Alternates	
Discontinued Part Numbers (with CSA Approval)	Alternate Part Numbers (with C-UL Recognition)
SK12AAW01/C	SK12AAW01/CUL
