

Part Change Notice: IL-AG9 Series Molds to Transfer Manufacturing Plant Location

JAE has transferred the molds for the IL-AG9 Series connectors from a plant in the US to one in Mexico. The connector will meet all of the same dimensions and specifications as before. There will be no changes to connector form, fit, or function. Please see details below.

1. Applicable Product(s)

See applicable items below:

Part Numbers
IL-AG9-3P-S3C1

2. Relocation

Molds for the IL-AG9 Series connectors were transferred from US to Mexico.

3. Scheduled Relocation

- Production of the IL-AG9 Series in Mexico has already started.
- If there are any requests for additional information, please contact your JAE representative.

If you have any questions regarding this matter, please contact your JAE account manager.
Thank you for your cooperation.
