*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

The 8-pos. M12 connectors with screw connection has been redesigned. The metal components have been swapped out for turned parts. The external dimensions remain unchanged. The shielded connectors have an updated cable gland. In the new concept, the cable seal and the clamping cage are combined in a single module making it easier to assemble. The external cable diameter range remains unchanged. The approvals, such as UL, will also remain unchanged.
