

Mighty Cam Eidos

All-in-one Digital Microscope

[13.3x - 94.4x] on Post Stand w/ Gooseneck LEDs and 360 Viewer

Digital Inspection and Measurement System featuring our Detented Micro Lens with a 360 Viewer and Mighty Cam Eidos camera mounted on our heavy-duty post stand with adjustable LED Lighting. The Mighty Cam Eidos features a built-in 11.6" HD monitor with integrated measurement software and image capturing capabilities. **Provides a magnification range of 13.3x to 94.4x.**

Features

- All-in-one compact digital microscope system
- 360 Viewer allows users to inspect from all angles by simply rotating the viewer
- Micro zoom lens with four detented zoom settings (ideal for accurate and repeatable measurements)
- Mighty Cam Eidos camera with built-in HD monitor
- HDMI mode - view images on an additional monitor
- Built-in measurement capabilities
- Save images to USB storage - no computer required
- Flexible LED goosenecks can be positioned where needed for optimal illumination
- Heavy-duty post stand made from all-metal construction

*360 viewer is required to be in the off position to perform measurements

0.6x, 1x, 2x, & 4x Detents for Easy Repeatable Measurements
