Reason for Changes:

The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE internal release test based on the relevant part specifications will be executed before delivery. Upon request, A PPAP level1 will be available if it concerns a duplicate tool which produces a finished TE-product. If you require such a PPAP, please notify Mr. Masayuki Inoue (inoue.masayuki@te.com) and Ms.Hiromi Kinoshita (kinoshita.hiromi@te.com) after receipt of PCN.
