*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

#### Description for Product Discontinuation

The following products have reached end of life and are being discontinued.

The most direct replacement will be the FL WLAN 201x series. The FL WLAN 2011 (1119248) is used for applications in the USA and Canada, the FL WLAN 2010 (1119246) will be used for applications **outside** the USA and Canada.

The main differences from the discontinued FL WLAN 511x series to the new FL WLAN 201x series are as follows

- \* No SD Card slot
- \* Single LAN port
- \* Din rail connector sold separately (1178237)

Other options for replacement are available, such as the FL WLAN 1101 (2702538), FL WLAN 2101 (2702540) and the FL WLAN 1011 (2702900).

If you have questions regarding the replacement options, please contact Technical Support to discuss your application.
