

Product Change Notification

1/12/17

Dear APEM A01 Customers,

Due to a change in raw material availability, APEM's A01ESD Series of emergency-stop switches will have a change in color for the bushing portion of the switch. This change is purely cosmetic and in no way impacts the form fit or function of the part. . The change effects the following part numbers:

- A01ESDM
- A01ESDSP3
- A0154BD
- A0150BD

✓ Actual A01ES-D:

✓ New Version of A01ES-D with Black Bushing:

Please feel free to contact APEM with any questions or concerns.

Regards,

Chris DoVale
Product Manager
